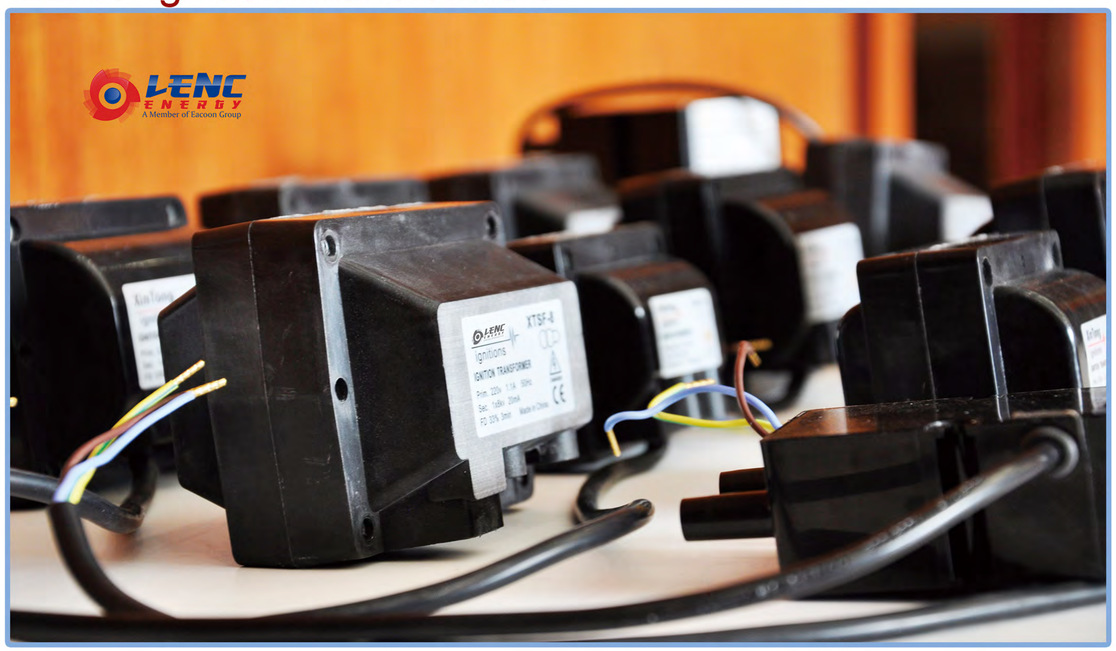
LENC Ignition Transformers



DESCRIPTION AND APPLICATIONS

- Lenc offer oil and gas burner ignition transformers for industrial and residential applications;
- All our ignition transformers are passed CE Certificate with high quality;
- While our catalog features our most commonly sold ignition transformers, many additional models are available;

	Item No.: LCT-A18 Enter 220-240V 30VA 50/60Hz Output 2x12kV Vpp/20mA AB 33% 3 min
	Item No.: LCT-A18L Enter 220-240V 25VA 50/60Hz Output 2x12kV Vpp/15mA AB 100% 3 min

Ignition Transformers

	Item No.: LCT-S07A Primary Supply Voltage 220V 0.7A 50Hz Sec. 2x4kV 15mA ED 20% 3 min Made in China
	Item No.: LCT-S07B Primary Supply Voltage 220V 0.7A 50Hz Sec. 1x7kV 15mA ED 20% 3 min Made in China
	Item No.: LCT-S08 Primary Supply Voltage 220V 1.1A 50Hz Sec. 1x8kV 20mA ED 33% 3 min Made in China
	Item No.: LCT-F08 Primary Supply Voltage 220V 1.1A 50Hz Sec. 1x8kV 20mA ED 33% 3 min Made in China
	Item No.: LCT-S10 Primary Supply Voltage 220V 1.4A 50Hz Sec. 2x5kV 25mA ED 25% 3 min Made in China
	Item No.: LCT-F10 Primary Supply Voltage 220V 1.4A 50Hz Sec. 2x5kV 25mA ED 25% 3 min Made in China
